## **2. New academic programmes initiated (UG and PG):**

Institute is having 100 seats of B.Ed. in Grant-in-Aid provision by Haryana Govt. and intake of 100 additional seats of B.Ed. under Self-Finance scheme, 35 seats of M.Ed. course and. At the time, students' strength is 235. 'No' UG/PG programme has initiated after this.

## **3. Innovations in curricular design and transaction:**

Curriculum of all the three courses has undergone changes in the last few years. As B.Ed. Syllabus was revised in 2010-11, M.Ed. and D.Ed. syllabus was revised in 2011-12 to meet the requirements of the students, to impart quality education and to make the future teachers experts in their own field. Two theory papers and two community based projects were also introduced in the B.Ed. course curriculum in 2011-12 session.

The impact of the updation of curriculum is discussed as below:-

- Inclusive Education was introduced in B.Ed. curriculum for identifying and addressing diverse needs of all learners.
- Curriculum development and school management teaches the students about development ,need, importance and principles of time table construction, keeping up school records and organizing co- curricular activities in a better way and students get practical knowledge of these concepts.
- All the students especially from rural background can become computer literate as they understand computer network and use of internet in teaching and learning as one of the unit of ICT Paper is related to computer practical.
- Students can know the importance of Education in Contemporary society.
- Current syllabus of B.Ed. focuses on “Learning to Know”, “Learning to Do”, “Learning to Be”, “Learning to live Together”.
- In the Paper Learner, Learning and Cognition, Mental processes of learning have been incorporated for understanding Divergent, Convergent, Critical, Reflective and lateral Thinking
- Students can understand the importance of Co-operative learning, Group Dynamics.

Instead of these, the feedback collected about the course curriculum from the students is routed to the Deptt. of Education, M.D. University, Rohtak to make changes/discuss about the weak areas of the syllabus.

All of our staff members are actively involved in the syllabus revision and orientation programme of B.Ed. Course at college level.

#### **4. Inter-disciplinary programmes started:**

Interdisciplinary activities are encouraged in the institute. All the students actively participated in the curricular/co-curricular activities. Students of B.Ed and M.Ed attended the Seminars/Conferences/ Workshops/Awareness Programmes organized in the college which was delivered by the eminent personalities. Valuable tips were provided by B.Ed students to other course students during their teaching practice. A Plan for programme orientation of all subject syllabus, University exams pattern, library orientation, ICT lab orientation and ET lab orientation are planned and organized.

- College was centre for Spot Evaluation for B.Ed. exam by M. D. University, Rohtak.
- B.Ed. and M.Ed. teachers involved in research work at M.Ed. level.

#### **5. Examination reforms implemented:**

As per the guidelines of M.D. University, Internal Assessment Test and Assignments for all the Theory papers were submitted by the students in the First Term Examination and in Second Term Examination schedule, House Examination were conducted from 15.04.2014 to 24.04.2014. The paper attempting and time management help the students to prepare themselves as per the pattern of final exams. In the institute, we provide the sample question/previous year question papers of the University of the Related Subjects.

On the basis of results of House Examination the remedial classes are arranged for weak students.

#### **6. Candidates qualified: NET/SLET/GATE etc.**

- (i) Most of our staff members are NET/SLET qualified. This condition is not applicable for the staff members who are exempted from NET/SLET as per UGC rule against Ph.D. and M.Phil. qualification.
- (ii) Many students of B.Ed. and M.Ed. have qualified various competitive Exams like HTET, STET, SSC, PO etc.

**23. Courses in which student assessment of teachers is introduced and the action taken on student feedback:**

Since our college is a college of education, B.Ed., M.Ed. and D.Ed. are the main courses. Assessment of the teacher educators are done by the pupil educators following the regular practice. Students were encouraged to give their free and frank opinion about their teachers and the anonymity was maintained. The assessment forms filled by the students were analyzed and each teacher was given feedback. Teachers had also filled up the Self-Appraisal Forms.

**Action**–The feedback of the students and principal was taken constructively for the improvement by the staff.

**24. Feedback from Stakeholders:**

Alumni Meet was organized on 16 Nov., 2013. Institute invited regular feedback from all the stakeholders i.e. parents, alumni, etc. Institute has an active alumni association. Feedbacks from all the alumni are taken every year through the alumni meet. The institute conducted its alumni meet and received good feedback from all the alumni members. Alumni shared their sweet memories of the college in this meet.

**25. Unit cost of education:**

The institute charges its annual fee of the course as prescribed by the related authorities i.e. concerned university and board. The students pay their fee in the regular installments and institute spends it on the benefit of the students. Thus the institute always maintains a status of non profit organization.

**26. Computerization of administration and the process of admissions and examination results, issue of certificates.**

The institute performs all its activities through the computers only. Thus we have made all the administrations and all the process fully computerized. From the admissions to the end of the course all activities are done with the help of computers. On the starting of the course, the enrolled/admitted student's data is maintained in computers and can be printed at any time. At the time of home examinations, the subject papers are made in the electronic form/soft copy. The Awards & Signature Sheets of Practical Exams etc. are fully computerized. At the present stage, salary, bills and other financial bills are prepared through the computers.
